**REGISTRATION**  
**MERCER ISLAND LEARNING LAB**

DATE \_\_\_\_\_

We would like to welcome you and your child to the Mercer Island Learning Lab Preschool sponsored by Bellevue Community College. By sending your registration fee of \$75 to our registrar you will be registered in the \_\_\_\_\_ year-old class. This fee will cover insurance and supplies and is non-refundable except in the case of a move.

We meet at the Mercer Island Boys' and Girls' Club. The four-year-olds attend class Monday, Wednesday, and Friday mornings and the three-year-olds attend Tuesday and Thursday mornings. The 5-year-olds meet Monday-Thursday afternoons, and parents have the choice of sending their kids one or all four of these days. By participating in our preschool, you will be enrolled in a Parent Education course through Bellevue Community College. In May there will be a parent's meeting which will give you more information and organizational details. We look forward to your participation in our cooperative.

If you have further questions you may contact the registrar for the particular class you're interested in.
